INDEPENDENT AUDITOR'S REPORT

To the Members of Council of Summer Village of Island Lake

We have audited the accompanying consolidated financial statements of Summer Village of Island Lake, which comprise the consolidated statement of financial position as at December 31, 2016 and the consolidated statements of operations, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards and for such, internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Summer Village of Island Lake as at December 31, 2016 and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

SUMMER VILLAGE OF ISLAND LAKE
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Summer Village of Island Lake are the representations of management prepared in accordance with Canadian generally accepted accounting principles for local governments established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. Significant aspects of the accounting policies adopted by the Summer Village are as follows:

Reporting Entity

The financial statements reflect the assets, liabilities, revenues and expenditures, changes in fund balances and change in financial position of the Summer Village of Island Lake (the "Summer Village"). The entity is comprised of the municipal operations plus all of the organizations that are owned or controlled by the Summer Village and are; therefore, accountable to the Summer Village Council for the administration of their financial affairs and resources.

The schedule of taxes levied also includes requisitions for education, health, social and other external organizations that are not part of the municipal reporting entity.

The statements exclude trust assets that are administered for the benefit of external parties. Interdepartmental and organizational transactions and balances are eliminated.

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipt of goods or services and/or the legal obligation to pay.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified.

Government transfers, contributions and other amounts are received from third parties pursuant to legislation, regulation or agreement and may only be used for certain programs in the completion of specific work or for the purchase of tangible capital assets. In addition, certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred, services performed or the tangible capital assets are acquired.

SUMMER VILLAGE OF ISLAND LAKE
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

Tax Revenue

Annually, the Summer Village bills and collects property tax revenues for municipal purposes. Tax revenues are based on assessments determined in accordance with the Municipal Government Act (MGA) and annually established tax rates. Municipal tax rates are set each year by Summer Village Council in accordance with legislation and Summer Village Council approved policies to raise the tax revenue required to meet the Summer Village's budget requirements. Tax revenues are recorded at the time tax billings are issued. Property assessments are subject to tax appeal. Expenses related to tax appeals and allowances are separately disclosed in the Consolidated Schedule of Property and Other Taxes.

The Summer Village also bills and collects education tax on behalf of the Province of Alberta (the Province). Education tax rates are established by the Province each year in order to fund the cost of education on a province-wide basis. Education taxes collected are remitted to the Province and are excluded from revenues and expenses in the Consolidated Schedule of Property and Other Taxes (Schedule 1).

Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditure during the period. Where measurement uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

Investments

Investments are recorded at amortized cost. Investment premiums and discounts are amortized on the net present value basis over the term of the respective investments. When there has been a loss in value that is other than a temporary decline, the respective investment is written down to recognize the loss.

Debt Charges Recoverable

Debt charges recoverable consist of amounts that are recoverable from municipal agencies or other local governments with respect to outstanding debentures or other long term debt pursuant to annexation orders or joint capital undertakings. These recoveries are recorded at a value that equals the offsetting portion of the unmatured long term debt less actuarial requirements for the retirement of any sinking fund debentures.

(*continues*)

SUMMER VILLAGE OF ISLAND LAKE
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

Requisition Over-levy and Under-levy

Over-levies and under-levies arise from the difference between the actual property tax levy made to cover each requisition and the actual amount requisitioned.

If the actual levy exceeds the requisition, the over-levy is accrued as a liability and property tax revenue is reduced. Where the actual levy is less than the requisition amount, the under-levy is accrued as a receivable and as property tax revenue.

Requisition tax rates in the subsequent year are adjusted for any over-levies or under-levies of the prior year.

Inventories for Resale

Land held for resale is recorded at the lower of cost or net realizable value. Cost includes costs for land acquisition and improvements required to prepare the land for servicing such as clearing, stripping and leveling charges. Related development costs incurred to provide infrastructure such as water and wastewater services, roads, sidewalks and street lighting are recorded as physical assets under the respective function.

Contaminated Sites Liability

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of a contaminated site is recognized when a site is not in productive use and is management's estimate of the cost of post-remediation including operation, maintenance and monitoring.

Government Transfers

Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction are not expected to be repaid in the future or the result of a direct financial return.

Government transfers are recognized in the financial statements as revenue in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amounts can be determined.

Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the consolidated Changes in Net Financial Assets (Debt) for the year.

(*continues*)

SUMMER VILLAGE OF ISLAND LAKE
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over the estimated useful life as follows:

Land improvements	25 years
Buildings	20 - 25 years
Machinery and equipment	10 - 20 years
Engineered structures	15 - 40 years

One-half of the annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

Contributions of Tangible Capital Assets

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue.

Cultural and Historical Tangible Capital Assets

Works of art for display are not recorded as tangible capital assets but are disclosed.

Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

2. CASH AND TEMPORARY INVESTMENTS

	2016	2015
Cash	\$ 299,103	\$ 25,979
Temporary investments	250,000	400,000
	\$ 549,103	\$ 425,979

Temporary investments are short term deposits with original maturities of 1 year or less.

SUMMER VILLAGE OF ISLAND LAKE
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

3. TAXES RECEIVABLES

Taxes receivable are comprised of:

	2016	2015
Current taxes and grants in place of taxes	\$ 20,403	\$ 26,554
Arrears taxes and grants in place of taxes	18,642	16,427
	\$ 39,045	\$ 42,981

4. GRANTS AND RECEIVABLES FROM OTHER GOVERNMENTS

Grants and receivables from other governments are comprised of:

	2016	2015
Municipal Sustainability Initiative - Operating	\$ 21,447	\$ 11,388
Municipal Sustainability Initiative - Capital	-	137,920
Subtotal	21,447	149,308
Goods and Services Tax refundable	28,365	13,331
	\$ 49,812	\$ 162,639

5. DEFERRED REVENUE

Deferred revenue is comprised of:

	2016	2015
Municipal Sustainability Initiative - Capital	\$ -	\$ 102,559

Municipal Sustainability Initiative - Capital

The Municipal Sustainability Initiative - Capital is restricted to eligible capital projects, as approved under the funding agreement, which are scheduled for completion in the next few years. Note, Municipal Affairs approved additional grant funding for projects costs incurred in 2015 in 2016. Thus, all deferred revenues from the prior year were brought into revenue in the current year.

SUMMER VILLAGE OF ISLAND LAKE
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

6. TANGIBLE CAPITAL ASSETS

	Cost	Accumulated amortization	2016 Net book value	2015 Net book value
Land	\$ 7,251	\$ -	\$ 7,251	\$ 7,251
Land improvements	127,124	17,397	109,727	114,812
Buildings	158,566	69,630	88,936	93,022
Machinery and equipment	20,315	20,315	-	-
Engineered structures	1,728,798	590,886	1,137,912	1,020,713
	\$ 2,042,054	\$ 698,228	\$ 1,343,826	\$ 1,235,798

The net book value of the tangible capital assets at year end also represents the amount of equity in tangible capital assets.

Equity in tangible capital assets equals the tangible capital assets balance.

7. DEBT LIMITS

Section 276(2) of the Municipal Government Act requires that debt and debt limits as defined by Alberta Regulation 255/00 for the Summer Village of Island Lake be disclosed as follows:

	2016	2015
Total debt limit	\$ 362,337	\$ 312,383
Total debt	-	-
Amount of debt limit unused	362,337	312,383
Debt servicing limit	60,390	52,064
Debt servicing	-	-
Amount of debt servicing limit unused	\$ 60,390	\$ 52,064

The debt limit is calculated at 1.5 times revenue of the municipality (as defined in Alberta Regulation 255/00) and the debt service limit is calculated at 0.25 times such revenue. Incurring debt beyond these limitations requires approval by the Minister of Municipal Affairs. These thresholds are guidelines used by Alberta Municipal Affairs to identify municipalities that could be at financial risk if further debt is acquired. The calculation taken alone does not represent the financial stability of the municipality. Rather, the financial statements must be interpreted as a whole.

8. EQUITY IN TANGIBLE CAPITAL ASSETS

Equity in tangible capital assets is comprised of:

	2016	2015
Tangible capital assets (Note 6)	\$ 2,042,054	\$ 1,828,542
Accumulated amortization (Note 6)	(698,228)	(592,744)
	\$ 1,343,826	\$ 1,235,798

SUMMER VILLAGE OF ISLAND LAKE
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

9. ACCUMULATED SURPLUS

Accumulated surplus consists of restricted and unrestricted amounts and equity in tangible capital assets as follows:

	2016	2015
Operating reserve	\$ 595,453	\$ 510,813
Equity in tangible capital assets	1,343,826	1,235,798
	\$ 1,939,279	\$ 1,746,611

10. SEGMENTED DISCLOSURE

The Summer Village of Island Lake provides a range of services to its ratepayers. For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 1.

Refer to the Schedule of Segmented Disclosure (Schedule 4).

11. SALARY AND BENEFITS DISCLOSURE

Disclosure of salaries and benefits for municipal officials, the Chief Administrative Officer and designated officers as required by Alberta Regulation 313/2000 is as follows:

	2016	2015
	\$	\$
	Salary (1)	Benefits & allowances (2)
	Total	Total
Yontz, B. - Councillor	\$ 2,000	\$ -
Newton, C. - Councillor	1,850	-
Montague, J. - Councillor	2,450	-
Chief Administrative Officer	59,176	-
	\$ 65,476	\$ -
	\$ 65,476	\$ 47,000

1. Salary includes regular base pay, bonuses, overtime, lump sum payments, gross honoraria and any other direct cash remuneration.

2. Employer's share of all employee benefits and contributions or payments made on behalf of employees including pension, health care, dental coverage, vision coverage, group life insurance, accidental disability and dismemberment insurance, long and short term disability plans, professional memberships and tuition.

SUMMER VILLAGE OF ISLAND LAKE
Notes to Consolidated Financial Statements
Year Ended December 31, 2016

12. FINANCIAL INSTRUMENTS

The Summer Village's financial instruments consist of cash and temporary investments, accounts receivable, investments, debt charges recoverable, bank indebtedness, accounts payable and accrued liabilities, deposit liabilities, requisition over-levy and long term debt.

It is management's opinion that the Summer Village is not exposed to significant interest or currency risks arising from these financial instruments.

Credit risk

Credit risk arises from the possibility that taxpayers and entities to which the municipality provides services may experience financial difficulty and be unable to fulfil their obligations. The municipality is subject to credit risk with respect to taxes and grants in place of taxes receivable and trade and other receivables. The large number and diversity of taxpayers and customers minimizes the credit risk.

Fair value

The Summer Village's carrying value of cash and cash equivalents, accounts receivable and accounts payable approximates its fair value due to the immediate or short term maturity of these instruments.

The carrying value of the long term debt approximates the fair value as the interest rates are consistent with the current rates offered to the Summer Village for debt with similar terms.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the Summer Village manages exposure through its normal operating and financing activities. The Summer Village is exposed to interest rate risk primarily through its floating interest rate bank indebtedness and marketable securities.

13. COMPARATIVE FIGURES

Some of the comparative figures have been reclassified to conform to the current year's presentation.

14. APPROVAL OF FINANCIAL STATEMENTS

Council and management have approved these financial statements.

15. BUDGET AMOUNTS

Budget amounts are included for information purposes only and are not audited. It should be noted that the budget is not PSAB compliant in that it does not include an estimate for amortization.
